Jeff,

I would look at their recommendations for tables, format, etc. If you agree, we should probably include them. If you want to talk about it tomorrow after the call with Paul we could do that.

Jim, I am reviewing MDEQ's comments on the Area 2 SRI and trying to determine what to include with ours. I should have a draft to you tomorrow morning. A little late but once we received MDEQ comments, I wanted to see if there was anything we needed to include in ours.
